Prevent. Promote. Protect.

*A Special Program for
Pregnant Women and
Their Babies*

This program is designed to help you and your baby. Nurses, community health workers and social workers work together to help you get the services you need.

Services Include:

- Prenatal medical care referrals
- Medicaid/Hoosier Healthwise applications
- Help with food resources - WIC, food stamps, food pantries
- Counseling
- Referrals for other needed services

Our home visitation program is free.

You will learn about:

- How your baby grows
- Changes that occur during pregnancy
- Problems that might occur during pregnancy
- Substance use during pregnancy
- Labor and delivery
- Breastfeeding
- Infant care
- Parenting
- Nutrition for you and your baby
