- ▶ **The Never Alone Project**
Provides mutual aid, connection to resources, and advocacy for individuals using substances. <https://www.facebook.com/neveraloneindiana/>
- ▶ **Overdose Lifeline (ODL)**
Offers a variety of programs for substance use disorder (SUD) help and prevention: Fentanyl test strips, naloxone, training and education opportunities for people affected by SUD and their families. <https://www.overdoselifeline.org/>
- ▶ **ODL's Lifeline for Loss**
A monthly support group for anyone experiencing the loss of a loved one to drug overdose. When we lose a loved one to a drug overdose the ability to grieve is thwarted by this shame, stigma and judgment imposed by society. Overdose Lifeline recognizes the need for an understanding community to provide support from a loss. <https://www.overdoselifeline.org/lifeline-for-loss/>
- ▶ **Parents of Addicted Loved Ones (PAL)**
Provides hope, through education and support, to parents, spouses or family of addicted loved ones. There are meetings all across the country. <https://palgroup.org/>
- ▶ **Project POINT**
Located in Eskenazi's Emergency Department and offers peer recovery services to people with SUD that are seen at Eskenazi. The individual is provided with a wide variety of wrap around services and a warm handoff to a treatment provider, if the individual is interested in treatment. <https://www.eskenazihealth.edu/health-services/emergency/>
- ▶ **Safe Syringe Access and Support (SSAS)**
Offers the following services: HIV and hepatitis C rapid screening, safer drug use practices, referral for SUD and mental health treatment, wound care education, immunizations, referral to primary care, and access to health insurance coverage. <https://marionhealth.org/safesyringe/>
- ▶ **Recovery Assist Platform (RAP)**
Is a searchable directory for SUD and supportive service providers in Marion County and surrounding areas. <https://www.recoveryassistplatform.com/>
