MONDAY, DECEMBER 11, 2023 • 8:30AM-10:30AM
IVY TECH CULINARY AND CONFERENCE CENTER
2820 N. MERIDIAN ST. • ROOMS 119 & 121

Gun violence is a public health problem and a leading cause of premature death in the United States.

The purpose of this meeting is to create a unified effort and pool our resources across Marion County in a renewed effort for gun violence prevention, especially among youth and young adults.

Youth and young adults are the most likely to die by homicide. This is a public health crisis and our community needs to act now.
